PDPU

Pandit Deendayal Petroleum University, Gandhinagar, promoted by Government, Industry and Energy, is a world class university in energy education and research, especially in the fields of oil and gas. The University educates its students under in the fields of Technology and Petroleum technology, Petroleum management and Liberal studies.

Pandit Deendayal Petroleum University also has made remarkable collaborations with universities abroad, thereby helping the students to make a mark in the global arena. Path breaking achievements in solar research, energy research and management are more feathers on the University's rich plumage.

The university serves as a cradle of innovation and research to facilitate this; PDPU being the reservoir of knowledge. At PDPU we believe in excellence, dynamism, knowledge development and cater to the needs of society at national and global levels.

AIESEC

AIESEC is the largest global youth network impacting the world through leadership development experiences. AIESEC has been facilitating youth leadership activities as well as international internships & volunteer experiences for over 65 years, developing a global learning environment across 125 countries & territories. We are united in a purpose of developing young leaders and becoming the Leadership Provider of the World while staying independent and non-political since 1948.

What makes AIESEC unique is the youth driven impactful experience that it offers to its members. AIESEC is run by young people for young people, enabling a strong experience to all its stakeholders. Every single year the core leadership teams of AIESEC change — from the local committee executives, to the national teams right up to the global leadership team.

The United Nations has long recognised that the imagination, ideals and energies of young men and women are via for the continuing development of the societies in which they live. And since its inception in 1948, AIESEC has contributed to this develop-ment by serving as an agent of positive change trough education and cultural exchange.

Kofi Annan
Former Secretary General of the United Nations

AIESEC is performing a very important task both in terms of training for leadership and also taking responsibility but also, in a deeper sense, by contributing to people to people exchange. To meet together as young people (and) to learn by experiences abroad is an enormous treasure to himself/herself but also for society.

Jan Eliasson
Deputy Secretary General of the United Nations

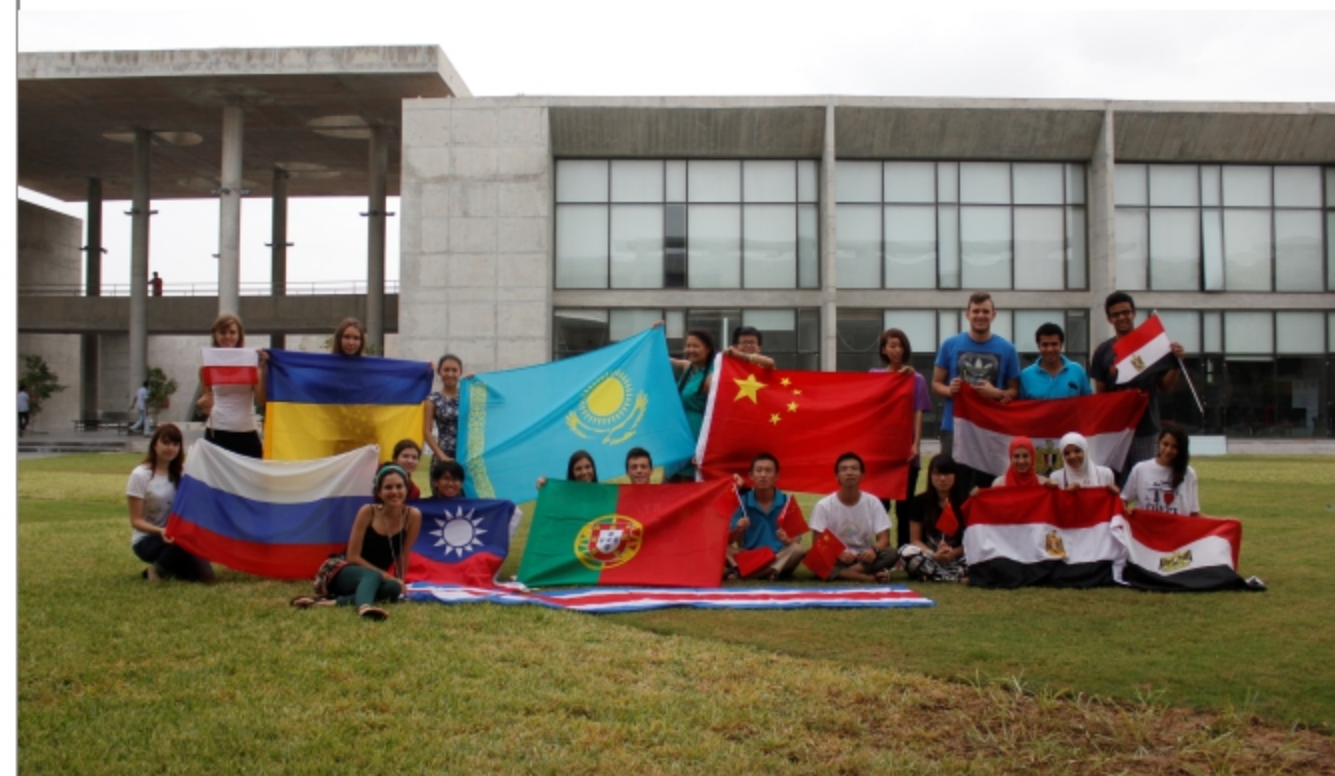

PDPU and AIESEC

AIESEC in Ahmedabad and PDPU have collaborated since 2011 with an aim of shaping PDPU students as global entrepreneurs of tomorrow and to help them enrich their education through international experience. This initiative aimed at challenging their worldview and help them gain a unique combination of multi-cultural, social and entrepreneurial experience during their formative years of their lives.

One of the best university partners in the country, PDPU has always supported AIESEC in Ahmedabad in numerous ways, a few of which includes co-creating projects and hosting multiple international participants every year. And Namaste 2.0 is the 7th project which is hosting it

NAMASTE 2.0

- Project Namaste2.0 is all about 50+ interns from various countries interning with PDPU. The project is aimed to provide interns a chance to experience university life in India alongside witnessing some schools and NGOs. In collaboration with various club of university, we have listed out some amazing activities for the interns that might just help make their experience way more creative, amusing and memorable way more than what they anticipate. The project would ensure that the interns have there integrated impact & direct, regular communication with the student of university.
- Internationalization of campus, disbanding of stereotypes, cross-cultural understanding and varied cultural exposure to the student this is what we aimed for.

Dates :

From- 5th July, 2015 to 17th August, 2015

PDPU CLUBS

“The only real training for leadership is leadership”

Antony Jay

PDPU believes in nurturing not only the technical and academic skills of a student but also focuses on what we call the overall development of an individual. Through the various college clubs it provides an opportunity to its students to hone their socio-cultural skills and practice their hobbies and interests.

It believes in creating a pristine environment blended with modern level of learning technologies to enhance the spirit and energy all learners and inspire them to optimize their efforts.

All the non-academic activities are mentioned take place at the Office of Student Activities and Leadership which works with a objective of providing all student at university to develop themselves in extra circular activities there by develop leadership qualities. The activities at the OSAL are majorly driven by Student Clubs, Student Chapters of Professional Societies. All the clubs are proposed by student along with a faculty mentor, on the approval of the club from OSAL, the clubs does various activities all round the year.

The Clubs are grouped under as
Science and Technology
Social and Cultural

All the clubs come together once and organize The Annual Festival of PDPU – Flare.

Video Graphics Association
better Known as the VGA, is a student film club, dedicated to short film-making and film appreciation. Its aim is to create impactful and meaningful short films along with creating a film screening culture at our campus, and to associate and interact with various film professionals.

Sorriso is the photography club. The club organizes workshops, exhibitions, trips, photo-walks and live-studios at national level. It is considered to be the most active club at PDPU.

Off-beat is the music-lovers' club, with professional music equipment for practice.

Soul Pepper is the drama club of the university which organizes street plays and other live events.

Cretus is the robotics and automation club. It organizes various robotics events, workshops, seminars and guest lectures.

Brahmand is the astronomy-lovers' club.

Jharokha is the literary lovers' club.

Rotaract has a PDPU chapter.

GLOBAL VILLAGE

Global Village is one of the most important events of the Interns journey in the country. It aims at providing international cultural understanding to the attendees. It's a colourful affair as the interns set up their countries stalls in a traditional manner and welcome the people enthusiastically in their very own traditional way. There is global food to tease your palate as interns dish out their regional delicacies. Apart from this, souvenirs of different countries would be put up on sale by the interns. It brings together people from various cultures and countries in order to celebrate diversity & global citizenship, for the attendees it is a trip around the globe without even leaving the campus. It's a very enriching experience and is bound to make a positive international impact.

International Diathon 2015

One Step toward an Environment

Diathon, the newer version of Green Run, will be organized by Project Namaste 2.0 . This Diathon is happening first time in Gujarat. This event tends to heal our issues on environment. Around 200 energetic participants including the interns from different countries will run for initial km and after that they will travel the rest of the path by cycling. The aim of this event is to spread our message about awareness to sensitize citizens to the benefits of human powered mobility as viable, healthy and safe mode of transportation, an alternative to pollution filled motor vehicles. Anybody can be a part of this event for a fun, frolic, enjoyable and memorable ride with an unavoidable cause, pollution free environment, physical fitness, good health and making our city environment friendly.

Exchange Participate Induction Conference

The EP conference will be a stimulation of an AIESEC conference. This will be held to induct the interns in a way which will help them relate to and understand the functioning of AIESEC as an organization. This conference will be a one day affair including simulation of the local committees- Fictitious local committees. The main purpose of this conference is to treat the EPs as new recruits and to in still in them the understanding of the AIESEC way. This conference will be one of the most important events as it shall include expectation and goal setting, LEAD sessions and working inputs which will set the base for the entire project.

CHARITY DRIVE

It is the one of the best event in Project Namaste 2.0. Charity drive in which all interns will be divided into group & they will approach to porch region of city to collect the reparable, reusable, recycle things which was not useful for them. They will convert all this things to usable & in working condition so needy people can use it. This all thing will be distributed among the people who are in need for that

“The best way to find yourself is to
lose yourself in the service of
others”

Mahatma Gandhi

CULTURE NIGHT

At the end of the project everyone enjoyed & got their share of time to interact, make friends and exchange culture with the international interns of Project NAMASTE 2.0 we will have cultural showcase . Throughout the project ,the interns will have worked with the student clubs of PDPU& prepared for the final showcase. The ultimate performances of the internationals in music, drama and dance as well as their journey life.

AIESEC Fridays

Youth Speak Forum

The concept of this summit was how a person can live follow and excel in his dream .Backing off from there dreams is not the solutions so its just that you need to work hard towards your dream and be great leader to yourself. Speakers were made put there ideas of what they have lived so far in there live and motivate the people.

Debate Session

DEBATE Session in which discussed upon the eradication of poverty or unemployment or terrorism or Global problem. The other topics that would be spoken upon would be breaking the stereotypes so this not only would give interns and PDPU student there would be 20+ nationalities coming up with their views on same topics and on the same stage.

About Ahmedabad

Ahmedabad is the heart of Gujarat. The commercial hub of Gujarat.

Gujarat is the birthplace of the legendary leaders from Mahatma Gandhi and Sardar Patel to the modern day heros like Narendra Modi.

Ahmedabad is worlds third fastest growing city and nations safest city Ahmedabad is divided into two, Old walled city and the new city which not only describes the timeline but also shows the diversity of the city.

Sabarmati Ashram

This is a very calm and soothing place and most importantly related to the great legend Mahatma Gandhi. It is a must see place for everyone. It is relating to Indian history for freedom.

Adalaj Step Well

It is a place to see how water is conserved during past in a unique style. The well is made in different level. It has intelligent architect. It is five stories in depth. It is a cool place of attraction.

Kankaria Lake

This lake is one among the biggest lake in Ahmedabad. It is a great crowd pulling leisure spot. It is good place to hangout with family or friends. Here you get many modes of entertainment like, toy train, hot air balloon etc. Its really more colourful after evening with all its excellent lighting.

Sarkhej Roza

Sarkhej Roza was once a prominent Sufi culture centre in India. Ahmedabad has rozas but it is a prominent one. Lying at a stretch of 8 kms on the south western side of Ahmedabad, Sarkhej Roza was the home of the spiritual leader of Sultan Ahmed Shah, who was a Muslim religious leader.

About Gandhinagar

The new capital city was planned by two Indian planners, H.K. Mewada, educated at Cornell University and Prakash M Apte. Both Mewada and Apte had worked as a trainee in the Chandigarh Project in 1950s.

The city has developed in four distinct phases:

Phase 1

After the city's infrastructure was completed in 1970, and until 1980, it was known as "Gandhian City", since it was based on Gandhi's concepts and principles.

Phase 2

Between 1980 and 1990, a time of low pollution, it was known as "Unpolluted City".

Phase 3

After 1990, many trees were planted, and the city became the "Green City".

Phase 4

In 2002, Gujarat's Chief Minister, Narendra Modi, proposed a new, triple focus for the city: it should be green, It should utilize solar energy, and it should be cosmopolitan.
