

National Symposium on

EXPLORING NEW HORIZONS OF SUSTAINABILITY

23rd March, 2020

SOT

SCHOOL OF
TECHNOLOGY

Civil Engineering Department, Pandit Deendayal Petroleum University, Gandhinagar

Development has come a long way but looking to its dark side, its time for exploring new horizons of 'sustainability' which is the focus of this one day national symposium. Science has the power to infuse '**sustainability with profitability**' and 'technocrats' have now the new role to research and discover the routes to connects these two.

THIS INTERACTIVE SYMPOSIUM IS DIVIDED INTO 4 PARTS

Competition

Speak-up about your dissertation project or research idea highlighting the uniqueness.

Max Presentation Time : 5 min

Hands-on

Have a **hands-on** experience with state-of-the-art instruments and learn to generate Primary Data with them.

Scenarios

Have a glimpse of the capabilities of the various **softwares** useful in creating scenarios for optimizing the resources

Dialogues

Talk to **Experts** from the various fields of Engineering to explore avenues to move ahead and excel in life.

Special Invitation to the Final Year Engineering students of branch Civil , Environmental , Chemical

About the Civil Engineering Dept

Established in the Year **2010**, the Department is offering the courses for B.Tech (Civil Engg), **M.Tech (Infra Engg & Mgmt)**, **M.Tech (Environmental Engg) & M.Tech (Transportation Engg)** and PhD in all disciplines of Civil/Environmental Engg. Currently there are around **605 students** along with **18 faculty members** in the department.

FREE
Registration
Prizes for the **WINNERS**
&
Certificates for all the
participants
