

ABOUT PDPU

Pandit Deendayal Petroleum University (PDPU) has been established by GERMI as a Private University through the State Act enacted on 4th April, 2007 based in vibrant city of Gandhinagar in Gujarat. The University offers programs to address the need for trained human resources in the domains of Science, Technology, Management and Humanities. The objective is to create a world class university in energy education and research with special focus on entire energy sector. It's intents to expand the opportunities for students and professionals to develop intellectual knowledge with leadership skills and offer well-planned undergraduate, post-graduate and doctoral programs as well as intensive research projects.

ABOUT CEGE

Centre of Excellence for Geothermal Energy (CEGE) was established on 10th of October, 2013 at Pandit Deendayal Petroleum University (PDPU) with the support of Government of Gujarat. CEGE is carrying out extensive research and development (R&D) activities in the area of exploration and exploitation of geothermal energy. CEGE has carried out various geological and geophysical exploration surveys to identify different hot springs in Gujarat. Based on the exploration activities carried out CEGE has identified potential locations for harnessing the geothermal energy. CEGE has also drilled a shallow geothermal well at Dholera, which has demonstrated interesting results.

PDPU

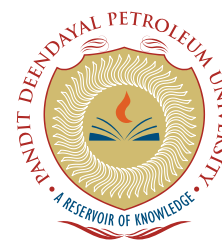

PANDIT DEENDAYAL PETROLEUM UNIVERSITY

CENTRE OF
EXCELLENCE FOR
GEOTHERMAL
ENERGY

1st International Conference on Geothermal Energy: Exploration and Exploitation, 2015

The First International Conference on Geothermal Energy: Exploration and Exploitation was organized on 1st May, 2015. The conference provided opportunity for industry professionals, researchers, scientists, geothermal experts, policy makers, academicians and students onto a single platform in order to discuss the issues and challenges in exploration and exploitation of Geothermal Energy. Experts shared their valuable views and experience on a wide range of topics related to successful implementation of geothermal power projects. The conference was attended by industry representatives across India and abroad, academicians, government officials and students of PDPU.

Participants

- INDUSTRY EXPERTS
- ACADEMICIANS
- GEOTHERMAL EXPLORATIONISTS
- RESEARCH SCIENTISTS
- GEOPHYSICISTS
- GEOTHERMAL POWER DEVELOPERS
- GEOTHERMAL ENGINEERS
- RESERVOIR ENGINEERS

Guidelines for Abstract Submission

1. Abstracts must include a clear indication of the purpose of research, methodology, major results, and its policy. Authors are requested to adhere to the following:
 - a. Length of the abstract is about 5000 words excluding title, affiliation, key figure and references
 - b. Use 12 point-Times New Roman Fonts, single-spaced lines, justify style in MS Word
 - c. The first page of the abstract includes the title of the paper, name(s) of the author(s), affiliation(s), and complete mailing address(es), telephone/fax numbers and e-mail address(es) for communication.
 - d. Key words
2. Abstract should reach us latest by 17th January, 2016 in soft copy for blind review process.
3. Submit abstracts and full paper via E-mail at: cege@pdpu.ac.in

ABOUT THE CONFERENCE

The global energy sector is facing challenges like sharp increase in demand, climate change, and shortage of fossil fuels. Many countries acknowledge the threats caused by the climate change and realize the value of renewable energy. Geothermal energy is one such clean, sustainable and renewable source of energy.

In this respect, CEGE is organizing “2nd International Conference on Geothermal Energy: Exploration and Exploitation” on 29th March, 2016 at PDPU campus. This conference will provide a unique platform where experts and stake holders from different spectra of geothermal fraternity will be discussing issues and challenges in geothermal exploration and exploitation.

Topics for Paper/ Poster Presentation

- Geothermal Exploration Activities
- Geothermal Drilling and Well testing
- Organic Rankine Cycle (ORC)
- Harnessing Energy From Low Enthalpy Geothermal Reservoir
- Vision and strategy for geothermal power development
- Case studies – any aspect of geothermal development
- Application of Reservoir Engineering in Geothermal
- New geothermal technologies, research papers and innovations
- Utilization of Geothermal Energy in household activities
- Environmental, health, safety & social factors in geothermal development

Agenda

- To promote the viability of the geothermal energy development in India
- To broaden the awareness of the geothermal resources development programme
- Sharing experiences, information and ideas with industry colleagues/peers
- Interaction and networking with developers/consultants/government officials/financial institutions/academicians etc.
- To facilitate more comprehensive sharing of information on the geothermal Development
- Global Networking and Business Opportunities

PATRON-IN-CHIEF

DR. D J PANDIAN, IAS (RETD.)
DIRECTOR GENERAL,
PDPU GANDHINAGAR

PATRON

DR. ANIRBID SIRCAR
HEAD CEGE & DIRECTOR SPT,
PDPU, GANDHINAGAR

Registration Fee

All the participants attending the conference are required to register for the conference.

| DETAIL | REGISTRATION FEES |
|--------------------------------|-------------------|
| STUDENTS | INR 500 |
| DELEGATES | INR 1,500 |
| FOREIGN DELEGATES/PARTICIPANTS | USD 100 |

- **PAYMENT BY DEMAND DRAFT :** The registration fees may be paid by demand draft drawn in favour of “Pandit Deendayal Petroleum University”, payable at Ahmedabad, Gujarat, and send it to Conference Secretariat, School of Petroleum Management. Please ensure to mention your name on the back-leaf of the DD.
- **DIRECT PAYMENT TO UNIVERSITY BANK ACCOUNT:** Fees can be paid in cash in any branch of the Oriental Bank of Commerce, into following university bank account. The same may also be paid by Electronically Fund Transfer (EFT) as per following bank details. Delegates are required to send the scanned copy of bank payment slip with depositing branch details/NEFT transaction details i.e. UTR No., name of the account from which funds transferred; via e-mail at cege@pdpu.ac.in.

Name of the Account: **PANDIT DEENDAYAL PETROLEUM UNIVERSITY**
Bank Name and Branch: **Oriental Bank of Commerce**
Sector-11, Suman Tower, Gandhinagar (Gujarat), India
Current Account No.: **09331131003242**
IFSC code: **ORBC0100933**

Important Dates

Deadline for Submission of Extracted Abstract with key figure and references :
17TH JANUARY 2016

Review & Acceptance of Abstract:
23RD JANUARY 2016

Deadline for Submission of Full Paper:
21ST FEBRUARY 2016
