

Pandit Deendayal Energy University

QUALITY AND ENVIRONMENTAL POLICY

Pandit Deendayal Energy University strives contributing to the growth of Energy Education, Research, Innovation and Centre of Excellence to be a World Class University.

To achieve it, the University is committed to:

- **Compliance to applicable statutory, legal and other requirements;**
- **Serving society to lead to its enrichment and advancement;**
- **Maintaining dialogue with its students and other stakeholders to understand their needs, expectations and determining their level of satisfaction;**
- **Contributing to the growth of higher education and upholding the highest ethical and professional standards;**
- **Bring Environmental awareness among the University community to conserve the natural resources and minimize pollution;**
- **To evolve mechanisms for 'R4': Reduce, Reuse, Recycle and Repurpose;**
- **To provide a framework for setting objectives and continually improve the effectiveness of the Quality & Environmental Management System.**
